Duty to Consult on Felling Street Trees

This is a notification that this tree is proposed to be removed. From the date of this notice there is a 28 day period in which you can provide comments on the proposed tree removal. This notice meets the duty to consult requirements set out in section 115 of the Environment Act 2021

Notice Date 21/10/2024

Reference 41551

Ward Aldborough

Site Emmott Avenue

Position Opposite 106 & Near. 83

Species Betula pendula (Silver Birch)

Reason for removal Trees growth habit is causing the tree to lean over the road and the tree has lost its central leader.

Solutions considered Pruning is not considered a suitable solution, due to the tree's ultimate size, speed of growth and will not reform an acceptable crown shape. The tree is too mature to be transplanted straight with out causing significant damage to the root structure.

Replacement A single replacement tree, suitable for this position, is programmed to be planted between November YEAR and March YEAR
